THE STATISTICAL SCENARIO

VEJA Magazine – August 7th 2013

A maior tragédia brasileira

Os dados do DPVAT, o seguro obrigatório pago aos acidentados, revelam que o trânsito causa mais mortes no Brasil do que fazem crer as estatísticas do governo, baseadas no Datasus, superando a criminalidade

Os jovens são as principais vítimas

Do total de mortos no trânsito em 2012.

de idade. Isso equivale...

...a 2 tragédias como a da Boate Kiss, em Santa Maria, por semana

...ao dobro do número de médicos formados anualmente no país

...a 90 em cada 100 000 jovens adultos brasileiros
